MEMORANDUM FOR THE RECORD

Morning Meeting of 21 July 1966

Proctor informed the Director that a memorandum has been prepared on the U. S. -USSR Cultural Exchange Program and that a briefing book on Indonesia has been prepared for the Director's use.

Proctor reported that he discussed with General Carter his proposal to merge the ad hoc committees which follow the introduction of strategic weapons into North Vietnam and Cuba with the Watch Committee. General Carter will discuss the subject directly with General Carroll.

25X1

25X1 [] for Godfrey reported that the use of the DMZ as a North Vietnamese infiltration route is being carefully examined by OCI. He commented that the New York Times article on the eighth meeting of deGaulle and Erhard is overly optimistic. He noted the reaction of the Indian foreign ministry to the representations of Ambassador Bowles concerning U. S. reaction to the recent Indian communique issued in Moscow. He observed that the Arab summit conference scheduled to meet in Algiers in September will probably fail as a result of a lack of cooperation on the part of Algeria and the UAR.

25X1 [] discussed procedures for sanitizing NIE 13-2 on the Chinese Communist advanced weapons program for the Joint Committee
